Green Earth Project

It was Green Earth Week.
Mr Lo talked to us about
pollution. We had to build a
machine to clean up rubbish.

Mr Lo put us into groups. We were excited.

Rose was in the gold group.
She was excited. Her group
started to build a machine.

Betty was in the red group.
She was excited. Her group
started to build another
machine.

Joe and I were in the green group. We started our machine. Joe was excited.

I was not excited. I was worried.

Joe put the plug in the wrong hole. Bang! There was a lot of smoke.
