Pink Dolphins

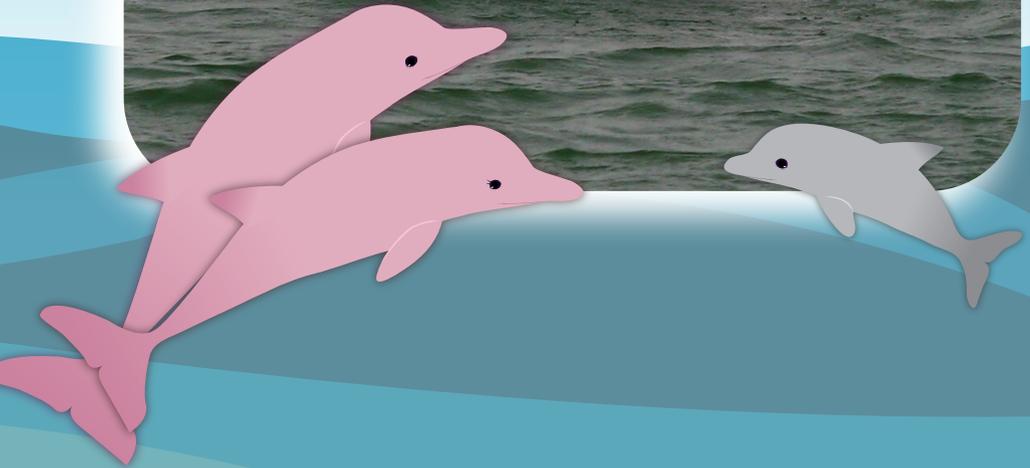

Pink dolphins live in the sea near Hong Kong. They are good at diving and swimming.

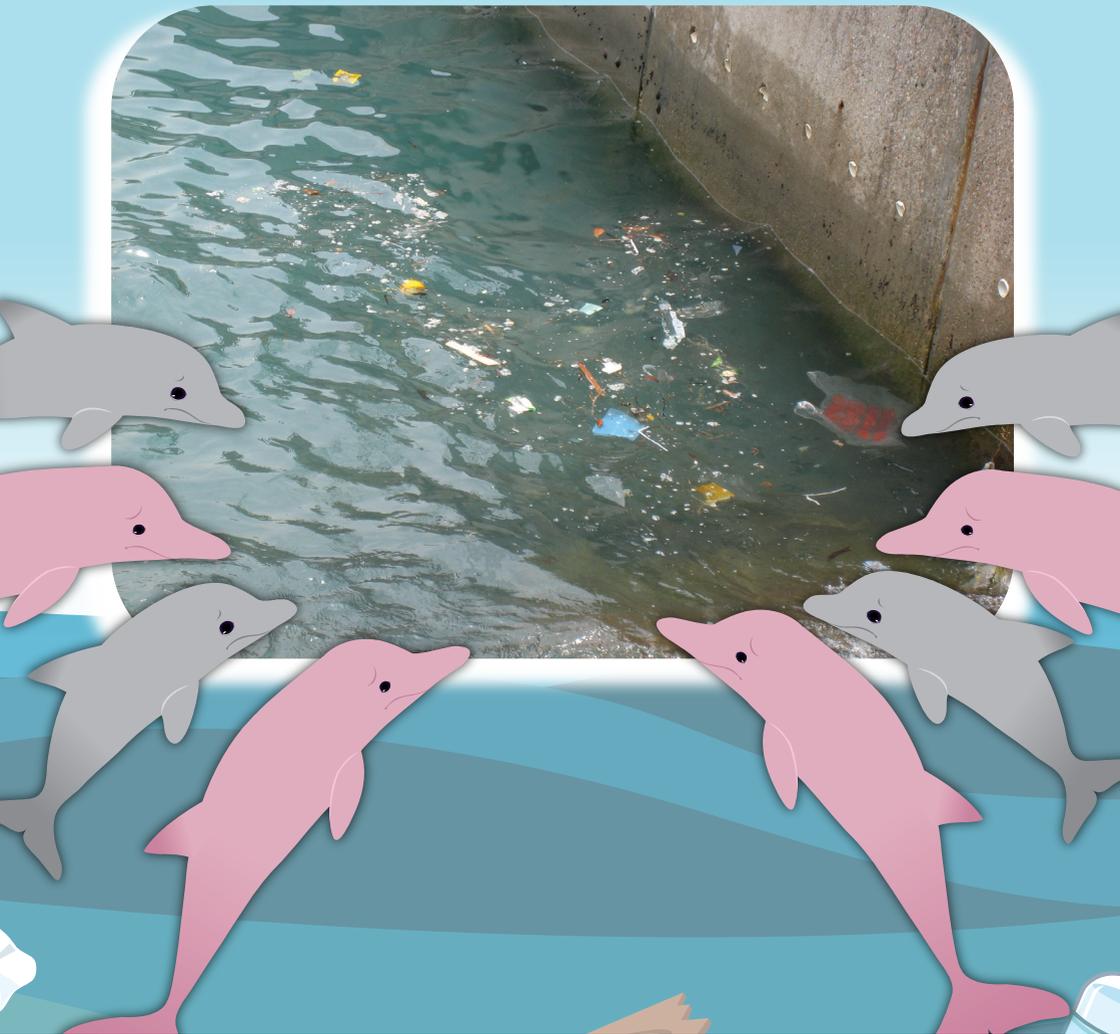

You can see some near Tai O.

The Colour of the Dolphins

The mother and father dolphins are pink but the baby dolphins are grey.

Rubbish in the Sea

People throw rubbish into the sea. This makes the water very dirty.

The dolphins don't like
swimming in the dirty water.

It makes the dolphins sick.

How can you help to keep the water clean?
