Green Earth Project

Last week our class started a Green Earth Project.

We had to build a machine to clean up rubbish.

First we got a huge box. It was old. Joe helped. He got in the box.

Next we got two cones. They were red. Joe helped. He put the cones on his head.

After that we got two bowls.
They were big. Joe helped. He
picked up the bowls.

On Friday we got some shiny cans and a lot of other things.

Wow! Our machine liked rubbish and children! We all ran around in circles.
